Women's blouses for modest markets

Made-to-order women's blouses for the Gulf, the Levant and North Africa. Fabric is sourced direct from the mill and production runs on lines we control, so a style can be developed from a photo, a sketch, a sample or a full tech pack.

MINIMUM ORDER	300 pieces per style (colours and sizes mixed freely)
LEAD TIME	15-25 days after sample approval; sampling 3-7 days
SIZE RANGE	EU 38-54, selected styles to 5XL
SAMPLING	Sample cost credited back against the bulk order
QUALITY	Pre-production sample, in-line check, final AQL 2.5 inspection
LABELLING	Sewn-in Arabic-English care labels as standard

40 styles listed in this edition, grouped by collection.

Every style can be produced to your specification: fabric, colour, size range, measurements, labels and packaging.

How to order

1. Send your reference

Photos, a tech pack or a sample piece, plus target colours, size range and quantity.

2. Confirm a sample

We develop and produce a sample for approval. Sample cost is credited back against the bulk order.

3. Approve and start

Once the sample is approved we issue a proforma invoice and production begins.

4. Inspect and ship

Final random inspection before packing, then shipment against your nominated forwarder.

Fabrics we develop

- Satin - high drape, low crease, holds colour under strong light
 - Heavyweight chiffon - opaque without lining, stays breathable
 - Jacquard - open weave that moves air, pattern built into the cloth
 - Lace and eyelet - supplied with a lining layer where full coverage is required
 - Washed cotton and lyocell blends - everyday basics
-

Certification

Product certification - SABER (PCoC + SCoC) for Saudi Arabia, ECAS / EQM for the UAE - is arranged by the importer of record. We supply the fibre composition and product details needed for your application. Please confirm you can obtain certification before ordering.
